

WATER IS TURNED INTO BIG NORTH SIDE CANAL

30,000 Acres of New Twin Falls
Project Now Under
Ditch.

Special to The Tribune.
MILNER, Ida, March 22.—Fifteen hundred persons, among whom were Governor Gooding, all members of the Idaho Eastern Irrigation board, and several prominent Eastern financiers, who have backed the big Twin Falls irrigation scheme, witnessed another step in the progressive march of reclamation when the first section of the big canal on the north side of the Snake river was opened at 10 o'clock Monday afternoon. The opening of the canal makes possible the irrigation of 30,000 acres of fertile land in Cassia county. Preparations by owners of this land, preparatory to the opening of the canal, have been going on for some time past. The construction of the big canal is controlled by the Twin Falls North Side Land and Water company. The dam in the Snake river at Milner was closed at noon Monday, and a few hours later water flowed into the first section of the project. W. S. Kuhn, president of the project, said that the opening of the canal will make possible the reclamation of another 100,000 acres of land, which will be pushed by the company. An electric railroad, which will traverse the irrigated district, and which will connect Milner with Gooding on the main line of the Oregon Short Line, is to be built. A special excursion train was run by the Oregon Short Line from various points in Cassia county to Milner to witness the opening of the canal. L. H. Dorr, the original promoter of the big irrigation scheme, was present to witness another big advance in the completion of the project. W. S. CHINA INVITES OUR FLEET TO SHANGHAI

Cordial Welcome Assured, Ac-
cording to Message Received
by Minister Wu.

WASHINGTON, March 23.—China, through Minister Wu, its diplomatic representative in Washington, has extended a cordial invitation for the American battleship fleet to stop in China on its way around the world. On receipt of a dispatch from the Minister of Foreign Affairs for China today, indicating that instructions have been given to welcome the vessels, Mr. Wu promptly sent a letter to Secretary Root. The letter was signed by the minister and the ranking officer of the navy, to welcome the fleet to Chinese shores.

Acceptance Expected.
It is hoped that the legation that a favorable reply will be made by this Government to the invitation, and the officials at the legation are confident that a hearty reception will be given to the officers and men of the fleet wherever the ships may stop.

Shanghai is the only port of any consequence in the viceroyalty of Nanjing so evidently it is the expectation of the Chinese home authorities that the fleet will stop in the event that the government feels that any more steps than those already announced should be made. Information has reached the Navy department that New Zealand and Tasmania have similar invitations on the way by mail.
